

I'm Running for Re-Election as Mayor of Lake Cowichan

For decades, I've believed that the best way to build a strong community is to show up, get involved and give back.

That commitment has been a big part of my life in Lake Cowichan.

I've served as President of Lake Cowichan Minor Hockey, hockey coach, Umpire-in-Chief, Vice-Chair of the Forest Co-op, a member of the Elder Care Society, and a member of our Fire Department.

And you'll continue to see me out in our community — at Lake Cowichan Kraken games, Apollo games, community events and wherever our residents come together. Being involved and staying connected to our community has always mattered to me.

For the past four years, I've had the honour of serving as your Mayor.

I'm proud of the work we have accomplished together, but I believe our best days are still ahead.

Lake Cowichan is changing. We need experienced, accountable leadership that listens to residents, works with our community and keeps its focus on getting things done.

Looking ahead, I want to continue strengthening our relationships with our First Nation partners and neighbours, working together on shared priorities and building a stronger, more connected region.

That's why I'm putting my name forward again.

Lake Cowichan isn't just a community I serve — it's home. Betty and I have been married for 49 years, and together we've raised our family and are proud parents and grandparents. Our children and grandchildren are an important part of why the future of this community matters so much to us.

I'm asking for your support to continue serving as Mayor and to keep working for the community we are proud to call home.

Experience. Service. Community. Family.

Lake Cowichan matters — and I'm ready to keep working for you.
